

New Missed Appointment Policy

We would like to make everyone aware of our new policy. This policy was set to better communicate with our patients, and to be respectful of everyone's time. We are asking that all of our patients give a 48 hour notice for confirmation and/or cancellation by 12 PM two days prior to your reserved appointment time. We understand that uncontrollable circumstances may arise. We are more than happy to reschedule your appointment if this situation occurs. If a pattern of continued scheduling conflict transpires, a \$50 refundable office fee will be required prior to scheduling your next appointment. If you are unable to keep this appointment and do not give the proper cancellation notice, the office fee will not be refunded.

Thank You,

Dr. Kathy DeHart, DDS
