

Did you know there is a dentist in Menifee just for children?

Dr. Ruth Bol was raised in Bakersfield, CA. She is from the Comanche tribe in Lawton, Oklahoma. She graduated from Cal-State Bakersfield Magna Cum Laude in 2000.

She then attended school at the University of the Pacific School of Dentistry in San Francisco where she graduated in 2003. After graduation, she worked with American Indian Tribes as a Dentist and Dental Director at times for 4 years in Washington State. Her last assignment was with the Navajo Nation in Arizona where she worked only with children on the reservation until she moved to LA to complete her pediatric residency at UCLA.

During her residency she was selected to participate in the Maternal Child Health Bureau leadership program and received her master's degree in Public Health.

She was awarded the 3M ESPE Research fellowships from the American Academy of Pediatric Dentistry and selected to participate in the American Dental Association Diversity and Leadership Institute.

Dr. Bol is currently...

- Associate Professor for Western University School of Health Sciences
- President of the Society of American Indian Dentists
- Co-chair for Give Kids A Smile program through Tri-County Dental Society
- A member of the American Academy of Pediatric Dentistry and Membership Council, American Dental Association, , California Dental Association, California Society of Pediatric Dentists and fellowship with the American College of Dentists
