

# Twelve Bridges Dental Patient Testimonial

Twelve Bridges Dental provides simply the most pleasant dental experience I have ever had. I have always had sensitive teeth and have always dreaded going to the dentist until now. I'm not sure whether its the friendly staff, the massaging chairs, or the flat-screen TV ~~and~~ with headphones that they let you watch during your procedures that I like more. All I know is that Twelve Bridges Dental changed my whole perception of the dentist. I would ~~recommend~~ urge anyone who dreads the dentist to try this place, and I'm sure you'll agree, ~~there's no need~~ Twelve Bridges Dental puts a whole new relaxing twist on the dentist,
