

# ATLANTIC COMPLETE DENTISTRY CLUB

## AcDc

---

---

The AcDc Study Club was formed in 2009 and is a member-participation, hands-on study club where members are encouraged to bring cases for group presentation and discussion. Attendance is limited to 25 participants to ensure a high-quality learning experience and is intended for General Dentists, Lab Technicians and Specialists. Priority will be given to past AcDc members, people with Dawson, Pankey, Piper, Kois, Spear, Theriault, and Specialist (or similar) training.

There will be 6 meetings per year. Each session will be a full day, to be held on Fridays. Dr. Jim McKee, the Study Club mentor, will be present for 3 of these meetings. Sessions will include:

- leadership and team development;
- specialty presentations;
- hands-on techniques;
- materials & technology demonstrations;
- member case presentations;
- treatment planning; and
- literature reviews.

A significant focus of this club will be on advanced treatment planning and interdisciplinary treatment. Specialist and Lab Technician involvement will be emphasized. Other topics to be discussed and reviewed will include: new patient examinations and records; digital photography and case presentations; advanced restorative and esthetic concepts; occlusal/TMJ diagnosis and management; leadership and team development; and practice management.

## AcDc

**Dr. Jim McKee** graduated from the University of Illinois College of Dentistry in 1984 and has been in private practice since 1984 in Downers Grove, Illinois. His practice interests include diagnosis and treatment of temporomandibular joint dysfunction as well as esthetic and functional restorative dentistry. He practices with his wife, Lisa McKee, DDS whose practice is limited to orthodontic treatment. Jim has lectured nationally and internationally on the managerial skills and the

clinical concepts necessary to implement the principles of complete dentistry. His lectures interests include coordinating the new patient examination for increased case acceptance, treatment planning for predictable restorative/esthetic dentistry and management of the restorative practice. His research areas are the repeatability of centric relation as a condylar position and centric relation as a physiologic condylar position with published studies in the Journal of Prosthetic Dentistry Professionally, Jim is a member of the American Dental Association, The Illinois State Dental Society and a past-president of the West Suburban Branch of the Chicago Dental Society. Jim is the founder and president of the Dawson-Pankey Study Club of DuPage County started in 1991. He currently teaches at the Piper Education and Research Center. He is a former faculty member of The Dawson Academy and The Pankey Institute. Additionally, he is a Past-President of the American Equilibration Society, a member of the Executive Council of the American Academy of Restorative Dentistry and a member of both the American Academy of Cosmetic Dentistry and the Academy of General Dentistry. Personally, Jim and Lisa have two children, Patrick and Carolyn. Outside interests include coaching various sports, golf, music and family time.

**Dr. Michel Comeau** received his Doctorate of Dental Surgery from Dalhousie University in Halifax, Nova Scotia, in 1998. Michel has pursued his passion for comprehensive, cosmetic and implant dentistry by attending several internationally recognized continuing education institutes in an effort to provide complete dental care to his patients. In 2007, he attained Fellowship status with the Academy of General Dentistry ("AGD") and the International Congress of Oral Implantologists ("ICOI") and also graduated from the Misch

International Implant Institute prosthetic program. He is currently the only Nova Scotian dentist to hold both of these Fellowships. He is also an associate faculty member at The Dawson Academy in St. Petersburg, Florida. The Dawson Academy is one of the most highly recognized and respected post-graduate dental training facilities World-wide. In addition to being a member of the AGD and the ICOI, he is also a member of both the Canadian and American Academies of Cosmetic Dentistry ("CACD" and "AACD"); the American Academy of Implant Dentistry ("AAID"); the American Equilibration Society ("AES"); the Canadian Dental Association ("CDA"); and the Nova Scotia Dental Association ("NSDA"). Michel is co-owner of SouthWest Dental and resides with his wife, Beth, and their two children in his hometown village of Meteghan, Nova Scotia, located in the Acadian Region of Clare. His personal interests include golf, curling, coaching his son's hockey team, camping and travel.
