

Patient Payment Options

Cosmetic surgery is an excellent investment in an individual's well being. Because of this, we believe financial considerations should not be an obstacle to obtaining this procedure. Being sensitive to the fact that different patients have different needs, we provide the following payment options:

CASH OR CHECK: If you prefer to pay by cash or check, payment in full is due at your pre-surgical visit, two weeks prior to surgery. We accept personal and certified checks, but not business checks.

CREDIT CARDS: We accept all major credit cards two weeks prior to surgery, including Visa, Mastercard, Discover and American Express.
