FINANCIAL POLICY

1. As a courtesy to you, we will file all insurance claims promptly, however, the actual account balance is your responsibility regardless of insurance coverage. We can estimate your insurance coverage, but we cannot guarantee the precise amount of insurance payment. Copayment is due on the date of service.
2. On large cases, we offer financial assistance in the form of a monthly payment plan. Accounts are due and payable on the 5th of each month. For implants, half of the total amount is due on date of service. We allow 30 days from the date of service with no finance charge. You may request an additional 90 days at 1 1/2% interest (18% APR). This plan must be arranged prior to treatment and all account balances must be paid in full no later than four months from the date of service. (Also available, Wells Fargo Finance Plan. For more information contact our office.) In the event that this account is assigned to an agency or attorney for collection and/or suit, the responsible party will incur all costs of collection including reasonable attorney fees (33 1/3%).
3. We respectfully request 48 hours notice if you must change or cancel your scheduled appointment.
