

Free Whitening for Life

Patient Appreciation Program

“Free Whitening” includes fabrication of custom trays and 2 tubes of whitening agent for patient to take home.

In order to qualify:

- New Patients must:
 - New patients must become an established patient for at least 6 months and have come for at least 1 preventative appointment
 - Have no cavities
 - Have completed all recommended treatment
- Established Patients must:
 - Have no cavities
 - Have completed recommended treatment
 - Have come for preventative appointments (cleanings, xrays, and check-ups) at the recommended interval (usually 6 months)

A “refill” of two tubes of whitening agent will be given at each annual exam appoint if the patient requests them. If the patient needs more than 2 tubes, they can purchase them anytime. Currently, refill tubes are 2 for \$25, or 4 for \$40. If the patient loses their custom trays, we will remake them at the nominal remake fee (currently \$100).

*Program subject to change without notice
