

## TOPSHAM DENTAL ARTS FINANCIAL INFORMATION

Our desire is to provide you with high quality dental care while keeping our fees reasonable and controlling our costs. This page is designed to provide you with helpful information regarding the financial side of dentistry at Topsham Dental Arts.

Payment is always expected at the time you receive dental care. If you have dental insurance, this means your estimated “co-pay” or non-insurance balance. If you do not have insurance, this means your fees for services received.

**Payment Options:** we accept cash, checks, and the following credit cards: Visa, Master Card, American Express and Discover.

If a check is returned to us by the bank, a \$35 “Returned Check” fee will be charged to your account.

Patients who have no dental insurance will receive a **10% courtesy** when paying in full at time of service with **cash or check**.

Patients who have no dental insurance will receive a **5% courtesy** when paying in full at time of service with a **debit or credit card**.

We have an Oral Health Membership Plan for patients who do not have dental insurance.

Upon approval with Care Credit, we offer our patients a six month, interest-free term loan with no down payment and no pre-payment penalties.

Patients using Care Credit are not eligible for other courtesies because Topsham Dental Arts is paying the finance charges to Care Credit on the patient’s behalf.

If you have dental insurance, we are happy to assist you by filing claims. It is critical that you provide us with accurate information. If there are issues with a claim that we cannot resolve then the balance will become yours to pay.
