

What You Can Expect On Your First Visit:

At Mehta Dental Group, we are committed to provide you with the highest quality of oral health care in the most gentle, efficient, and enthusiastic manner possible. We pride ourselves on making dentistry a pleasant experience for you, while providing you with the best dental treatment.

Our emphasis is on early preventive care, but we also provide restorative care, including implants, full mouth rehabilitation and emergency services. Our primary goal, whenever possible, is the retention of your healthy, natural teeth.

What you can expect on your first visit to our office:

Please arrive 15 minutes prior to your scheduled appointment to complete registration forms.

During your first visit, a comprehensive examination will be completed. This exam will include necessary x-rays, intra oral photos or scan, allowing us to diagnose the condition of your mouth, teeth and gums. In most instances, your dental condition will be determined at this visit, and if needed, a suitable treatment plan will be discussed with you.

We appreciate and value your time and will see you promptly. We will appreciate the same courtesy. We expect at least 48-hour advance notice for appointment cancellation to allow us to schedule your reserved time to another patient in need.

If you have dental insurance, please bring your insurance card. If a card is not available please have all insurance information, such as provider name, address, subscriber ID number, etc.

Should you have any questions about our practice, services, or policies please do not hesitate to contact our office or visit our website at www.MehtaDentalGroup.com.

We are very happy to welcome you as a new patient and look forward to meeting you!
