Enhance
YOUR SMILE TODAY

We're excited to announce that we have launched a new patient friendly website. Log on today at www.JayHodgeDDS.com.

We've combined exciting graphics with online features that will really save you time and keep you up to date on the latest practice news and dental health topics.

If you or any member of your family have dental concerns, or if it is simply time for a preventative checkup, please don't hesitate to call. We would love to have you drop by our state-of-the-art office or visit our website.

Visit www.JayHodgeDDS.com and check out the following benefits:

- Updates on new features in our dental practice, including new technology and dental procedures.
- Practical oral healthcare tips for patients of all ages.
- Links to other important resources, such as the American Dental Association website at www.ada.org.

Our focus is on outstanding patient service and providing the best dental care for you and your family. We think our new website will be an invaluable resource for you.

Please call us at 816.523.1444 with any questions or comments regarding the new site.

Thank You

We feel fortunate to have such great patients and most of our patients have been referred to us by "word-of-mouth." Your continued support of our office as shown by your referral of family and friends is indeed gratifying. Thank you!

DOES YOUR SMILE SAY IT ALL?

Although a vast number of Americans understand the importance of a good smile, only half think that their smile makes the grade.

9 out of 10 Americans agree that an attractive smile is an important social asset

92.5%

3/4 of Americans agree that an unattractive smile can hurt a person's chances for career success

74%

Only 1/2 of Americans are satisfied with their smile

50%

YOUR SMILE SAYS IT ALL

Regardless of where you come from or what language you speak, your smile is an important form of communication.

It instantly portrays your personality, self image and how you feel about the people you are with.

A healthy, attractive smile is an important facet of life - it impacts your health, self-esteem and relationships, both personal and professional.

FALL IS IN THE AIR IN BROOKSIDE

Brookside is thriving. New restaurants and shops are bringing new vitality and variety, and existing favorites are welcoming back familiar faces. If it has been a while since you've been in Brookside on a Saturday, you need to check it out. During summer months, the playground of Border Star School (across from the The Dime Store) becomes a Farmer's Market.

Sidewalks are full of families strolling and checking out shops, while joggers and walkers use the Trolley Trail that used to be the streetcar tracks. With more than 70 unique shops, restaurants and services, you'll find everything from the eclectic to the elegant.

Brookside is a charming pedestrian paradise filled with old world charm!

OFFICE CANDIDS

Jack and Gabby are 7 and 5 years old...

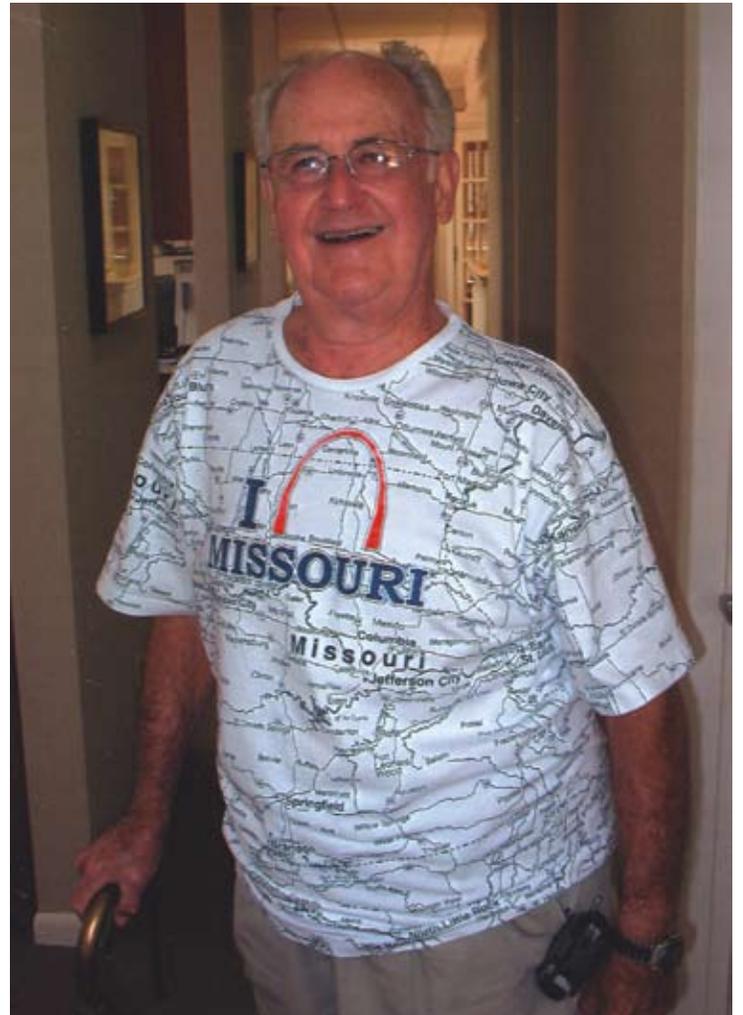

Gabby demonstrated how she can get her brother to open wide.

Our hygienists found some of Dr. Hodge's ties - they seem pretty happy about their fashion statement!

Woody's recent visit was all "mapped out".

Patty Zender does her best impersonation of Vanna White to show off our new patient education software.

Our TEAM

We look forward to helping you have a superb dental experience.

Our team works diligently to keep abreast of the latest scientific and artistic advancements in dentistry through continuing education, clinics and seminars.

We are always happy to discuss with you these techniques and possibilities in creating smile enhancements.

We want you to have the smile that you deserve!

Our MISSION

To assist people in attaining a higher level of health and self-esteem through education, innovation, integrity and excellence.
