

DR. VICTOR SUN, 4 RUSSELL ST. E., LINDSAY, ONT., K9V 1Z6, TEL: 705-324-0050

PRE-OPERATIVE INSTRUCTIONS FOR INTRAVENOUS CONSCIOUS SEDATION

1. Brush your teeth and clean your mouth thoroughly.
2. Arrange for a responsible adult, aged 18 years or older, to accompany you home after your sedation appointment. Be sure there is a responsible adult that can stay with you for a few hours after your appointment.
3. Transportation MUST be by car or taxi, not T.T.C. or bus.
4. FOR A MORNING APPOINTMENT, DO NOT EAT OR DRINK ANYTHING AFTER 12 MIDNIGHT THE NIGHT BEFORE, (including gum, candy or water). You may have a small amount of water to take your regular medications.
5. FOR AN AFTERNOON APPOINTMENT, DO NOT EAT OR DRINK ANYTHING AFTER 4:00AM THE DAY OF TREATMENT, (including gum, candy or water). You may have a small amount of water to take your regular medications.
6. Please bring any regular medications/pills with you, to your appointment.
7. No alcoholic beverages for 24 hours prior to and after your scheduled appointment.
8. Wear loose, comfortable clothing. Be sure your sleeves allow access to your arm for the intravenous injection, and blood pressure reading.
9. Remove all nail polish.
10. Be prepared NOT to operate a motor vehicle or machinery of any kind for 24 HOURS following procedure. Tasks requiring skill, concentration or judgement during this time should be avoided.

APPOINTMENT WILL BE CANCELLED IF THE ABOVE INSTRUCTIONS ARE NOT FOLLOWED AND YOU WILL BE CHARGED \$40 FOR EVERY 15 MINUTES OF YOUR APPOINTMENT TIME RESERVED FOR YOU.

I understand and agree to the above.

PATIENT SELF CARE INSTRUCTIONS FOLLOWING INTRAVENOUS CONSCIOUS SEDATION

- Transportation from your appointment must be by car or taxi, not the T.T.C. or bus.
- You must have a responsible adult, aged 18 years or older, accompany you to your appointment and to take you home after you have recovered from your anesthetic.
- Be sure there is a responsible adult that can stay with you for a few hours following your appointment.
- Please continue taking your regular medication/pills (if applicable), following your appointment.
- Please avoid the consumption of alcoholic beverages 24 hours following your appointment.
- You may notice bruising and tenderness around the injection site, this is normal however, please feel free to contact us if you have any concerns.
- Please do not operate a motor vehicle or machinery of any kind for 24 hours following the surgery. Tasks requiring skill, concentration or judgment during this time should be avoided.
