★★★★★ **Good dentist** The ladies at the front desk were nice and helpful and got me in pretty quick. The dentist, Dr. Hydrick, was a very nice guy. He made nice little conversation and I didn't feel a thing when he put the shot in my gums. He really knows what he's doing.

★★★★★ **A new experience!** I put a lot of prayer into having major dental work. My prayers were answered when I met Dr. Hydrick and his staff. Never have I been at such peace in a dentist's office. The joy and pride they take in their work is truly remarkable! The genuine care and concern given was a wonderful blessing to me!
